RIVERSIDE BAR & RESTAURANT

Parties are a Depot tradition.

There's a real sense of pride and wonder at the sheer number of memorable celebrations we've hosted and what a joy it's been to help mark such occasions.

Naturally, there's always a certain pressure to get things 'spot on' for any special event, which, without sounding too immodest, we do.

The Depot is rather privileged to enjoy wonderful river views and can be used either exclusively – up to 120 seated – or as individual rooms, semi-privately.

One of the great things about The Depot is the versatility of the layout - you can dine in one area, drink and dance in another, or chill out somewhere else. The atmospherics are very special and contribute hugely to any event.

The Sunset Room comfortably seats 50 people or provides entertainment space for 80 guests standing, perhaps with a buffet or canapés. French doors lead out to our pretty terrace and cobbled Tideway Yard, ideal for summer gatherings.

The Sunset Conservatory and adjoining **Middle Conservatory** are perfect for seated parties of up to 22 diners in each, offering stunning vistas of the river and Chiswick Bridge.

The River Bar & Lounge seats 30 people, also with room to stand. It's the perfect spot for an informal drinks party with its grand French windows overlooking the riverbank and surrounds.

If you have a large number, we're more than happy for you to take exclusive use of the entire restaurant and terrace with provisions for a small marquee in the cobbled yard – perfect for large corporate events or weddings.

A romantic river setting for the most romantic day of your life...

We do wedding and civil ceremony receptions well - as our testimonials illustrate - and take great pride in the reputation we've acquired.

Winter weddings are enchanting and cosy, whilst Summer weddings can get off to a wonderful start on our sunny terrace, where we can also offer the use of some of the cobbled yard if necessary.

The location is stunning at any time of the year and our in-house organisation will assure a seamless event with quality cuisine and affable, efficient service.

We can offer the complete range of catering from an intimate family wedding, to a full-on sit-down for 120 with dancing and entertainment.

Naturally, we completely understand just how important the detail is and want you to feel that you can put your personal stamp on the occasion with, inevitably, a little guidance on our part.

Come in for a chat and meet the team. Then, if you're suitably impressed, we can start planning!

Charging Policy

Depending on whether you require exclusive use of the restaurant will determine the minimum spend* we require. How you choose to meet that minimum spend - heavy on the food, light on drinks - is entirely up to you.

A cash bar afterwards may also help to make up the minimum spend*. Flexibility is the name of the game and all we ask is that you achieve the minimum spend agreed on food and drink, discuss your ideas with us and we'll cost them and advise accordingly.

We can put you in touch with a local florist and we have details of DJs and excellent live bands if you fancy a bop, (but these kinds of costs will be on top of the minimum spend) and they should be competitively priced as we use them regularly.

Lastly, all the prices we discuss with you include vat, but a 12.5% service charge is added to all food and drink costs; however, this service charge will be included in the minimum spend we agree with you.

From the guests

Thank you to you and your staff for making our family birthday a wonderful experience that we will all treasure. From our very first enquiry we have been treated with warmth and respect.

If you were a new restaurant with a reputation to build I would expect the exceptional service we received, but it is very refreshing to see genuinely good, caring service from a restaurant that could easily rest on its laurels...

Regards
Brian Rumbles

Dear Gianni

...a note to say a huge thank you for last night. You, Jean-Francois and your team of lovely staff did an absolutely fantastic job of looking after us all.

It was at all times hugely professional and I have lost count of the number of times today that people have said what a fantastic night they had and what a brilliant place it was to hold a party.

People have commented on the delicious food, the superb service and how lovely everyone who was working to make it all happen were.

With best wishes and huge thanks
Charlie
